Reliability is Everything in a Business.

A FULFILLED PROMISE

Means a Satisfied Customer.

SATISFIED CUSTOMERS

Are responsible for the Magnificent Success of

Young & Chapman

.....

The Firm believe in buying the Best Goods, and therefore holding their Customers from year to year.

The most expensive course through life is taken by those who continually buy the cheapest of everything.

IT ISN'T THE RULE that the highest prices must be paid to get the **Best**, but the kind you **should** buy naturally costs but a little more than the kind you don't want at any price, and will certainly be worth many times the difference.

**Millinery, Mantle, and Dress Making on
the Premises.**

Teas, Groceries, and Household Requisites.

THE Proprietors have pleasure in intimating that they have now made considerable additions to their premises, which will enable them to deal in the most satisfactory manner with the increasing dimensions of their Business. The distinct aim of their Business is to supply Families with GROCERIES, WINES, and SPIRITS at the lowest possible prices consistent with a high standard of quality. Knowing that a *cheap* article is not necessarily *good* value, but that, on the contrary, it may be very *poor* value at any price, they have to ask you not only to compare their prices with what is offered elsewhere, but, at the same time, to compare the quality of the Goods offered, feeling assured that the results will tell very much in their favour.

TEAS—A Speciality.

Particular attention is devoted to this Department. The TEAS are the finest imported, and blended under the personal supervision of an expert.

Prices: 1/6, 1/8, 1/10, 2/-, and 2/4 per lb.

A Trial Order Solicited.

GENERAL GROCERY GOODS, also PROVISIONS, of the First Quality, at Lowest Possible Cash Prices.

Shooting Lodges supplied with every requisite, at
Lowest London Prices.

TEA.**QUEEN'S GATE,
INVERNESS.**

GILLANDERS' TEAS have already made a name for themselves over the North of Scotland, *not by extravagant and untrue statements*, but by being what they are represented, viz., **Honest Value**, and Value which he challenges any firm to beat.

And following up the motto, "**The Highlands for the Highlanders**," **K. A. GILLANDERS** hopes soon to see the day when there will not be a family in the North of Scotland who will think of sending their orders for the refreshing beverage further South than the **Capital of the Highlands**, and towards accomplishing this object he invites you to send or call for samples of his

1/6, 1/8, 1/10, & 2/2 TEAS,

and is confident that all giving them a fair trial will be convinced of their merits.

Orders from 5 lbs. up to 10 lbs. will be delivered post free. Larger parcels will be sent, carriage paid, to nearest Station or Pier.

THE CORPORATION OF THE SCOTTISH PROVIDENT INSTITUTION

HEAD OFFICE—

No. 6 St. Andrew Square, Edinburgh.

The **Scottish Provident Institution** was established in 1837, with the object of giving to the ASSURED the full benefit of the LOW PREMIUMS hitherto confined to a few of the Proprietary Offices, while at the same time retaining the WHOLE SURPLUS for the Policyholders.

The **Premiums** are so moderate that at usual ages for assurance £1200 or £1250 may be secured from the first for the yearly payment which would generally elsewhere assure (with profits) £1000 only—the difference of £200 or £250 being equivalent to **An Immediate and Certain Bonus of 20 to 25 per cent**

The **Whole Surplus** goes to the Policyholders, and is reserved exclusively for those Members (more than half of those who enter) who survive the period at which their premiums, with compound interest at 4 per cent., amount to the original assurances, no share being given to those whose early deaths cause *loss* to the Common Fund.

THE FOLLOWING ARE THE RESULTS REPORTED FOR THE YEAR 1900—

New Assurances completed	£1,040,600
New Premiums	£48,600
Total Premiums	£700,300
Total Income	£1,138,100
Claims, including Bonus Additions*	£585,300

*Sixty-five per cent. of the Claims by death were in respect of Policies which had participated in the Surplus, and their Bonus Additions averaged considerably over **50** per cent. of the original Assurances.

The Accumulated Funds amount to ... £11,800,000

Their Increase in the Year was £350,700.

NEXT DIVISION OF SURPLUS takes place as at 31st DECEMBER 1901.
